# WE CONSIDER YOU A PARTNER!

---

**EDUCATE**  
**ADVOCATE**  
**ELEVATE**

In partnership with the American Health Care Association (AHCA) and the National Center for Assisted Living (NCAL), THCA represents a broad spectrum of long-term care providers and professionals offering long-term, rehabilitative, and specialized health care services. Our Business Members are partners who support the work we do for provider owners, operators, and facility staff across Texas.

Each year over 1000 long-term care professionals engage with THCA events where we offer our business members a variety of ways to connect with facility and provider company decision makers.

Thank you for considering a partnership with us in 2026! The work we do together in long-term care will continue to grow in importance as an aging population relies on provider members for care and services.

---

**Reach Long-term Care Facilities Across Texas**  
**Access to Facility & Company Leadership**

*The mission of the Texas Health Care Association is to unite, represent, and support professionals who strive to improve the delivery, quality, and integrity of long-term healthcare services.*
