

D.O.N. of the Year

The Nurse Council of the Texas Health Care Association established the annual "*DON of the Year Award*" to recognize outstanding Directors of Nursing working in long term care facilities. The winner, along with all nominees, will be honored at the THCA convention.

CRITERIA

Since the goal is to honor outstanding DONs, emphasis will be placed on recognizing those who:

- are innovative in dealing with resident and staff issues, and in the delivery of nursing care in the long term care setting; and
- have shown a dedication to continued professional growth in the long term care nursing field.

NOMINEE REQUIREMENTS

- The nominee must be a Registered Nurse; with a minimum of two years experience as a DON in a long term care facility (not limited to a geriatric facility) with one year in nominating facility as DON.
- The nominee must be currently employed in a THCA member facility at time of application and at time the award is presented.
- The recent DADS inspection/surveys during the past twelve (12) months from the facility where the applicant works shows no tag at G scope/severity level or higher resulting from major problems/quality of care issues in nursing. If you receive a G-Tag and you feel it is not related to nursing, send a copy of the G-Tag for consideration. NOTE: If the facility is appealing an IJ that has not been finalized the DON is not eligible for nomination. A DON would be eligible if the deficiencies were received prior to her/his hire date and because of her/his direction they were cleared.
- The nominee will attend Nurses' Day activities at the 2017 THCA Annual Convention at the expense of the employing facility.
