Focused on Dementia

This training is dementia specific, with a focus on dementia basics; person-centered care; behaviors; assessments and care planning; abuse, neglect and exploitation; sexuality in dementia; cultural and socioeconomic considerations; and alternative interventions.

Who should attend?

Anyone who provides care to nursing facility residents with a diagnosis of dementia.

More information to come

Registration will be available after Sept. 1, 2016. Look for updates and links at www.dads.state.tx.us/providers/qmp, or email Karen.Lose@dads.state.tx.us

Texas OASIS: Dementia Training Academy is hosted by the Texas Department of Aging and Disability Services in collaboration with Dr. Susan Wehry.

Continuing Education

Texas Department of Aging and Disability Services (DADS) Regulatory Services Division is an approved provider of continuing nursing education by the Texas Nurses Association – Approval, an accredited sponsor by the American Nurses Credentialing Center's Commission on Accreditation. DADS Center for Policy and Innovation is an approved provider of continuing education credits for licensed social workers and licensed professional counselors. The department also applies for credits to various nursing facility managers, registered dietitians, physical therapists and guardianship professionals. Additional continuing education credits are available for certified nurse aides, unlicensed nurses, licensed nursing facility administrators, nursing facility activity directors, qualified intellectual or developmental disability professionals, and licensed psychology professionals.

Stay up to date! Be sure to follow the Texas Nursing Facility Quality Improvement Coalition on Facebook.
