Contracts will be awarded based on the best technical approach that allows THCA to realize its objectives while minimizing total project cost. The budget is a fixed price contract to include expenses.
11	3.1.4	Please confirm that technical and cost be bound together in the same volume (i.e., cost does not need to be in a separately sealed container).	Yes, the technical and cost can be bound together for the purposes of submission.
13	3.1.10	In section 3.1.10 - Key Personnel - the RFP requests resumes, but the page limit for this section is three pages. May the bidder add resumes as a non-page-limited appendix to the proposal, or must the resumes fit into the page limit for this section?	Yes, the bidder may add resumes as a non-page limited appendix to the proposal

RFP Pg #	RFP Section #	Question	Answer
13	3.1.12	Can THCA provide a sample contract or legal terms and conditions or should the bidder provide its own standard contract for THCA's consideration? Further, if THCA provides terms and conditions, may bidders be permitted to provide exceptions to those terms and conditions for THCA's consideration in an appendix to its proposal (i.e., such that exceptions would not count against any proposal page limits)?	Please submit your proposed contract for THCA's consideration. Any exceptions to the requirements of the RFP should be specifically identified and provide the basis for such exception.
13 and 14	3.1.16 and 3.1.10	Please clarify the staffing information requested in RFP Section 3 - Resources - how should this information differ from that requested in Section 3.1.10 (Key Personnel)	Key personnel section would identify those staff that will be assigned to work on the project; whereas, the resources section would indicate the capacity and availability of staff to accomplish the proposed response.
