INTRODUCING NEW BI-MONTHLY MEMBER WEBINARS

Free Education Offering From

Healthcare Academy™

Understanding Bundling & ACOs with Post Acute Care Facilities

February 19th @ 1 p.m. CST

Register: <https://attendee.gotowebinar.com/register/4276260575860829185>

Webinar ID: 141-087-387

Upon completion of this webinar, learners will be able to:

- Describe the comprehensive care for joint replacement proposed rule.
- Define Accountable Care Organizations (ACOs).
- Identify state and federal regulatory changes.

Requirement for successful completion and receipt of 1.0 contact hour includes all of the following:

- The learner must attend the full 1 hour of the presentation
- The learner must complete a post-presentation evaluation

Healthcare Academy's continuing education activities are approved by the Wisconsin Nurses Association (WNA), an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation (ANCC).

This educational offering has been reviewed by the National Continuing Education Review Service (NCERS) of the National Association of Long Term Care Administrator Boards (NAB) and approved for 1.0 clock hour.

 Licensed Nurses and NHA will receive 1 contact hour

Meet our presenter:

Kim Barrows, RN, BSN
President: KB Post Acute Strategic Specialist

Kim has developed holistic programs that place facilities at the forefront of their competitors. The programs' initiatives have also created relationships with premier local hospitals unlike any other within the industry. These partnerships have been instrumental in dramatically improving resident outcomes and increasing occupancy resulting in financial success. Kim Barrows is recognized as an expert in the industry. She developed programs to maximize reimbursement and reduce risk. Her accomplishments have been nationally recognized by industry leaders and organizations such as the American Health Care Association.
